A photograph of two hands, one light-skinned and one dark-skinned, raised and clasped together against a soft, out-of-focus background of a sunset or sunrise over water. The text 'Active Ingredients' is overlaid in the center of the image.

Active Ingredients

Well-ageing

Embrace the skin you're in

We're increasingly becoming more open to accept ourselves and conversations around the process of natural ageing have become less about anti-ageing and more about well-ageing.

Consumers want to feel good about themselves and continue to beautify their skin regardless of life stage.

Let's imagine future well-ageing products that offer consumers a holistic experience!

87%

of Americans think it is better to take preventive measures for ageing

73%

of Chinese declare that ageing skin have a large impact on their life

70%

of Brazilians used anti-ageing products in the past 12 months

56%

of English attach importance to their face shape & jaw line

PRODUCT NAME	TECHNO.	PROPERTIES	INCI* / PRESERVATIVES	FORMULATION	OTHER USES
Agefinity™ ★ INCI China IECIC Cosmos approved* (for leave on) Halal certified Vegan suitable	 	The 3D Y-zone reshap Regeneration of cell energy metabolism to promote skin matrix restructuring. Reducing neck and face wrinkles.	INCI: Glycerin (and) Water (and) Sodium Mannose Phosphate (and) Mannose Preservative: None	Dosage: 0.1-4% Form: liquid Hydrosoluble	-
Chronoglow™ ★ INCI China IECIC Cosmos approved Natru approved Halal suitable Vegan suitable		Biomimetic control of epigenetics for skin rejuvenation Extracted from a unique resurrection plant. Holistic skin cellular rejuvenation (from epigenetics to proteins). Protection against senescence and oxidation. Clinical benefits in just 2 weeks with a prolonged efficacy, on the 3 dimensions of skin glow.	INCI: Glycerin (and) Water (and) Haberlea Rhodopensis Leaf Extract Preservative: None	Dosage: 1-3% Form: liquid Hydrosoluble	-
Rubixyl® Halal certified Vegan suitable		Anti stress-ageing peptide A global control of skin's receptors to reverse signs of ageing. Smoothes and refills deep wrinkles in 2 months.	INCI: Glycerin (and) Water (and) Hexapeptide-48 HCl Preservative: None	Dosage: 0.1-2% Form: liquid Hydrosoluble	Body care
Unisteron™ Y-50 INCI China IECIC Vegan suitable	 	Metabolic supplement for 50+ skins Multi-active phytosterol complex to stimulate the vital functions of mature skin.	INCI: Oleyl Alcohol (and) Dioscorea Villosa (Wild Yam) Root Extract (and) Hexyldecanol (and) Glycine Soja (Soybean) Sterols Preservative: None	Dosage: 5% Form: liquid Liposoluble	Moisturising
Unisurrection™ S-61 INCI China IECIC Vegan suitable	 	The resurrection secret for skin Plant-based active complex to revitalise cell's metabolism by restructuring and protecting enzymes activity.	INCI: Sucrose (and) Glycerin (and) Water (and) Molasses (and) Raffinose (and) Trehalose (and) Yeast Extract (and) Haberlea Rhodopensis Leaf Extract Preservative: None	Dosage: 1-5% Form: liquid Hydrosoluble	Soothing / Regeneration / Repair

REGENERATIVE ENERGY

PRODUCT NAME	TECHNO.	PROPERTIES	INCI* / PRESERVATIVES	FORMULATION	OTHER USES
Hyalosphere® INCI China IECIC Halal certified Vegan suitable	 	Vectorised hyaluronic acid to fill in wrinkles Deep epidermis penetration for fast skin smoothing within 1h. Two possibilities for the preservative system.	Composition: Sodium Hyaluronate (and) Water (and) Sucrose Palmitate (and) Tocopheryl Acetate (and) Glyceryl Linoleate (and) Citric Acid encapsulated Preservative Hyalosphere® XP: Benzyl Alcohol (and) Potassium Sorbate Preservative Hyalosphere® PF: Phenoxyethanol (and) Potassium Sorbate	Dosage: 2-3% Form XP: cream Dispersible in water Form PF: milk to cream Dispersible in water	-
PrimalHyal™ Ultrafiller ★ INCI China IECIC Vegan suitable		The dermal fillers challenger The latest generation of HA. Protection of the ECM from chronological ageing and improvement of the antioxidant defenses for a flash filler effect and long term reduction of wrinkles.	INCI: Sodium Acetylated Hyaluronate Preservative: None	Dosage: 0.1-0.2% Form: powder Hydrosoluble	-
Spherulite™ HA Ultimate INCI China IECIC Cosmos approved Vegan suitable	 	Microencapsulated HMW HA lip volumiser Increases lip volume and smoothes skin around lips. Natural, preservative free.	INCI: Glycerin (and) Water (and) Sucrose Palmitate (and) Glyceryl Linoleate (and) Tocopherol (and) Helianthus Annuus (Sunflower) Seed Oil (and) Sodium Hyaluronate	Dosage: 1-3% Form: viscous cream Dispersible in water	Smoothing • Face and eye care
Vetivryne® ★ INCI China IECIC Cosmos approved Natru approved Vegan suitable		Vetiver inspired skin youth booster Improves skin hydration, decreases fatigue and wrinkles by having an action on 3 main lipids sources in the skin. Enhances fragrance long-lastingness and intensity.	INCI: Propanediol (and) Water (and) Vetiveria Zizanoides Root Extract Preservative: None	Dosage: 1-3% Form: liquid Hydrosoluble	Moisturising

PLUMPING

PRODUCT NAME	TECHNO.	PROPERTIES	INCI* / PRESERVATIVES	FORMULATION	OTHER USES
Zanthalene® INCI China IECIC Cosmos approved Natru approved Halal certified Vegan suitable		The comforting phyto-botox Smoothes fine wrinkles exerting an immediate botox like effect for a refreshed look.	INCI: Oleyl Alcohol (and) Zanthoxylum bungeanum Fruit extract Preservative: None	Dosage: 1% Form: oil Liposoluble	Anti-itch • Hair care

Phytosome®

Synthesis

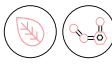

ANTIOXIDANT, FREE RADICAL SCAVENGERS

PRODUCT NAME	TECHNO.	PROPERTIES	INCI# / PRESERVATIVES	FORMULATION	OTHER USES
Ginkgoselect® INCI China IECIC Halal certified Vegan suitable		Standardised extract from Ginkgo biloba Ginkgoselect® contains flavonoids and terpenes from Ginkgo biloba; compounds are known for their antioxidant and microcirculation boosting activity. * ⁱ Also available in Phytosome® technology (Ginkgoselect® Phytosome®)	INCI: Ginkgo Biloba Leaf Extract (and) Hydrolyzed Corn Starch Preservative: None	Dosage: up to 1% Form: powder Soluble in water, alcohol, glycerin, propylene glycol	Sun care
Greenselect® INCI China IECIC Halal certified Vegan suitable		Standardised extract from Green Tea leaves Greenselect® contains Epigallo catechin gallate (EGCG) which is a powerful antioxidant and free radical scavenger compound. * ⁱ Also available in Phytosome® technology (Greenselect® Phytosome®)	INCI: Camellia Sinensis Leaf Extract Preservative: None	Dosage: up to 1% Form: powder Soluble in water, alcohol, propylene glycol	Oral care • Sun care
Leucoselect® INCI China IECIC Halal certified Vegan suitable		Standardised extract from Grape seeds Leucoselect® contains leucocyanidins endowed with antioxidant and free radical scavenging properties. * ⁱ Also available in Phytosome® technology (Leucoselect® Phytosome®)	INCI: Vitis Vinifera (Grape) Seed Extract Preservative: None	Dosage: up to 1% Form: powder Soluble in water, alcohol, glycerin, propylene glycol	Oral care • Sun care
Opextan® INCI China IECIC Halal certified Vegan suitable		Standardised extract from Olive Fruit Opextan® contains verbascoside and other polyphenols endowed with antioxidant and free radical scavenging properties from a specifically selected variety of Italian olives.	INCI: Olea Europaea (Olive) Fruit Extract (and) Hydrolyzed Corn Starch Preservative: None	Dosage: 0.5-2.5% Form: powder Slightly soluble in water, glycerin, alcohol	Sun care
Silymarin INCI China IECIC Vegan suitable		Traditional antioxidant from Milk Thistle Silymarin is a mixture of four compounds obtained from Milk Thistle seeds endowed with powerful antioxidant and free radical scavenging properties. * ⁱ Also available in Phytosome® technology (Silymarin Phytosome®)	INCI: Silybum Marianum Fruit Extract Preservative: None	Dosage: 0.2-1% Form: powder Slightly soluble in alcohol and glycerin	Sun care

EYE CARE

PRODUCT NAME	TECHNO.	PROPERTIES	INCI# / PRESERVATIVES	FORMULATION	OTHER USES
Unisoath EG-28 INCI China IECIC Halal certified Vegan suitable		Dark circles eraser Acting on biological targets of skin irritation to prevent and cure dark circles.	INCI: Water (and) Propyl Gallate (and) Gallyl Glucoside (and) Epigallocatechin Gallatyl Glucoside Preservative: Benzyl Alcohol (and) Dihydroacetic Acid	Dosage: 1-3% Form: liquid Hydrosoluble	Soothing / Regeneration / Repair
Escin INCI China IECIC Vegan suitable		The horse chestnut properties in the most powerful anti-puffiness compound Escin is a powerful anti-puffiness active molecule, counteracting fluid leakage and improving microcirculation. * ⁱ Also available in Phytosome® technology (Escin beta Sitosterol Phytosome®)	INCI: Escin Preservative: None	Pure form: 0.2-1% Phytosome® form: 0.5-2% Form: powder Soluble in alcohol, propylene glycol, sparingly soluble in water	-

SMOOTHING

PRODUCT NAME	TECHNO.	PROPERTIES	INCI# / PRESERVATIVES	FORMULATION	OTHER USES
Cristalhyal® e-Perfection ★ INCI China IECIC Cosmos approved Halal suitable Vegan suitable		Clay-vectorised HA for skin perfectness By building on the electrostatic properties of high molecular weight hyaluonic acid (vectorised in the lamellar structure of bentonite), our experts have created this exclusive active, delivering instant gratification and long-term benefits in terms of hydration, mattifying and skin smoothing.	INCI: Bentonite (and) Sodium Hyaluronate Preservative: None	Dosage: 1% Form: powder Dispersible in water	Moisturising • Sensorial • Sebum regulation & mattifier
Easylance® 2.0 INCI China IECIC Cosmos approved Natrué approved Vegan suitable		Instant skin tightener Immediate lifting and tensing effect by mechanical action.	INCI: Acacia Senegal Gum (and) Rhizobian Gum Preservative: None	Dosage: 2-3% Form: powder Hydrosoluble	Sensorial
PrimalHyal™ 50 INCI China IECIC Cosmos approved Halal certified Vegan suitable		Low molecular weight HA The ultimate approach for anti-ageing with tight junction reinforcement to increase skin cohesion. Stimulation of collagen I synthesis.	INCI: Hydrolyzed Hyaluronic Acid Preservative: None	Dosage: 0.1-0.5% Form: powder Hydrosoluble	Moisturising
Spherulite™ R-10 INCI China IECIC Halal certified		Vectorised and stabilised retinol 10% Outperforming pure retinol in reducing crow's feet and nasolabial wrinkles. Enhanced penetration in the epidermis.	Composition: Water (and) Cetearyl Alcohol (and) Polysorbate 20 (and) Retinol (and) Polysorbate 60 (and) BHT (and) Ethylhexylglycerin encapsulated Preservative: Phenoxyethanol	Dosage: 0.1-3% Form: viscous cream Dispersible in water	Oily skin

PRODUCT NAME	TECHNO.	PROPERTIES	INCI* / PRESERVATIVES	FORMULATION	OTHER USES
Ellagi-C™ INCI China IECIC Cosmos approved Halal certified Vegan suitable		Solution to preserve skin youthfulness Increase of vitamin C incorporation into fibroblasts to stimulate collagen synthesis. MMP-2 and MMP-9 inhibition. Antioxidant properties.	INCI: Propanediol (and) Anogeissus Leiocarpa Bark Extract Preservative: None	Dosage: 1-2% Form: liquid Hydrosoluble	-
Gravity™ Cosmos approved Natue approved Halal suitable Vegan suitable		Zero-G facial lifting & reshaping This enriched red macro alga extract boosts collagen I production and reorganise it in the matrix, together with elastic fibres. Visible results on the face contour and skin firmness in just a month, with significative reduction of the double chin.	INCI: Water (and) Propanediol (and) Gigartina Stellata Extract Preservative: None	Dosage: 1% Form: liquid Hydrosoluble	-
Neodermyl® ★ Halal certified Vegan suitable		The "needle-free" collagen and elastin filler This source of bio-energy revitalises aged fibroblasts, reactivates collagen I, III and elastin synthesis. Visible results after two weeks: deep wrinkles disappear.	INCI: Glycerin (and) Water (and) Methylglucoside Phosphate (and) Copper Lysinate/Prolinate Preservative: None	Dosage: 0.1-2% Form: solution Hydrosoluble	Body care
NovHyal™ Biotech G Halal certified Vegan suitable		The 3rd generation of hyaluronic acid This "needle free" HA, acts as a pro-filler to replump the skin. More efficient than retinol.	INCI: Glycerin (and) Water (and) Disodium Acetyl Glucosamine Phosphate Preservative: Phenoxyethanol	Dosage: 0.4-10% Form: viscous liquid Hydrosoluble	Body care
RetiLife™ INCI China IECIC Halal certified Vegan suitable		100% natural origin biotech retinol Natural, sustainable and reliable. One of the gold standard of anti-ageing, now in a fully green version, in a natural carrier and with a natural antioxidant system (BHT/BHA free)!	INCI to be confirmed: Helianthus Annuus (Sunflower) Seed Oil (and) Retinol (and) Rosmarinus Officinalis (Rosemary) Leaf Extract (and) Tocopherol Preservative: None	Dosage: up to 0.6% Form: liquid Liposoluble	-
StimulHyal® Cosmos approved Halal certified Vegan suitable		Skin elasticity enhancer Stimulation of hyaluronic acid synthesis and increase of elastin production.	INCI: Calcium Ketogluconate Preservative: None	Dosage: 0.3-0.5% Form: powder Hydrosoluble	-
Tightenyl® Halal certified Vegan suitable		The skin matrix bio-lifter Targeting the synthesis of sulfated glycosaminoglycans and proteoglycans to enable the reorganisation of the ECM fibers (collagens, elastin and hyaluronic acid). Visible bio-lifting effect.	INCI: Glycerin (and) Water (and) Disodium Acetyl Glucosamine Phosphate (and) Sodium Glucuronate (and) Magnesium Sulfate Preservative: None	Dosage: 0.6-2% Form: liquid Hydrosoluble	Body care
Sericoside INCI China IECIC Vegan suitable		The skin cellular youth reprogrammer Sericoside is extracted from the bark of the roots in Tanzania. On our skin it stimulates collagen, boosts microcirculation and counteracts all signes of ageing.	INCI: Sericoside INCI China IECIC: Terminalia Sericea Bark/Root Extract Preservative: None	Dosage: 0.1-1% Form: powder Soluble in alcohol	Body care
Siliphos® INCI China IECIC Vegan suitable Halal certified		Retinol-like active from Milk Thistle Siliphos® contains Silybin from Milk Thistle which has a retinol-like activity on cells renewal with no irritation potential. ① Only available in Phytosome® technology	INCI: Lecithin (and) Silybin Preservative: None	Dosage: up to 0.8% Form: powder Dispersible in tepid water	-

★ Awarded ingredients

S3D® Retiday

Your ultimate skin & biome fountain of youth

Feat. Siliphos®, this lightweight facial care will:

- Act as a daycare retinol-like.
- Target visible signs of ageing.
- Rejuvenate skin microflora.
- Hydrate & improve the skin.
- Provide a fast action to controlling skin stress.

S3D® Retinight

Overnight rejuvenating retinol-infused oil

Feat. RetiLife™, this night-time oil infused by active ingredients will:

- Reduce visible signs of ageing.
- Soothe skin overnight.
- Bring a smooth & bright complexion in the morning.

Skin guard

Your best defense

Every day we are exposed to invisible threats: air pollution, sun radiation, blue light and more. While you can't see it, it will take its toll on the appearance and health of the skin if left unchecked.

Consumers are constantly seeking ways to improve the look of their skin and combat signs of ageing, stress and dullness.

Let's imagine future skin guard products that offer consumers the protection they seek!

80%

of Americans think it is important to **keep** their skin microorganisms balanced

74%

of French women are interested in **anti-blue light** claims

62%

of Indonesian women desire products to **fight** invisible pollution

76%

of Brazilians use **sun protection** to prevent ageing skin

PRODUCT NAME	TECHNO.	PROPERTIES	INCI* / PRESERVATIVES	FORMULATION	OTHER USES
Depollutine® INCI China IECIC Vegan suitable		Preventive care for pollution-induced ageing Inhibition of neutrophil adhesion and ICAMs production to prevent pollution-induced ageing.	INCI: Water (and) Arginine PCA (and) Phaeodactylum Tricornutum Extract Preservative: Phenoxyethanol	Dosage: 1-3% Form: liquid Hydrosoluble	Anti-ageing
Eliorelys® ★ INCI China IECIC Cosmos approved Vegan suitable		The strength of a delicate flower for anti-(UV+blue) photoageing Prevention and correction of photo-induced damages.	INCI: Water (and) Betaine (and) Glycerin (and) Prunus Cesarus (Bitter Cherry) Flower Extract Preservative: None	Dosage: 0.5-3% Form: liquid Hydrosoluble	Skin repair
Hibiscus PE 45% acids INCI China IECIC Cosmos approved Natruve approved Vegan suitable		A global anti-pollution solution Pollutants chelator and skin complexion regulator.	INCI: Hibiscus Sabdariffa Flower Extract (and) Magnesium Hydroxide Preservative: None	Dosage: 1% Form: powder Hydrosoluble	Radiance / brightening
Mucilance® Fruit INCI China IECIC Cosmos approved Vegan suitable		A natural chelating agent Obtained from fruit-derived pectins. Antioxidant properties.	INCI: Galactaric Acid Preservative: None	Dosage: 0.1-0.2% Form: powder Hydrosoluble	-
Pongamia Extract Cosmos approved Vegan suitable		Natural UVA absorber and SPF booster A sustainable extract, rich in pongamol, a natural powerful antioxidant, from the indian Karanja tree.	INCI: Pongamol Preservative: None	Dosage: 0.5-1% Form: powder Liposoluble	-
Synchronight™ INCI China IECIC Cosmos approved Natruve approved Halal certified Vegan suitable		Microbiome-activated digital stress defender Protect the skin from blue light, activated by skin microbiome into a melatonin-like molecule. Protect mitochondria and skin proteins. Preserve melatonin production cycle. Significant reduction of wrinkles & enhancement of sleep quality.	INCI: Glycerin (and) Betaine (and) Water (and) Gardenia Jasminoides Fruit Extract (and) Maltodextrin Preservative: None	Dosage: 2% Form: liquid Hydrosoluble	Anti-ageing
Unicontrolzon® C-49 INCI China IECIC Vegan suitable		The overall protector against O₃ Plant-derived active complex to protect the skin from damage by environmental pollutants (ozone). Fast protection of hair dye.	INCI: Water (and) Propylene Glycol (and) Fumaric Acid (and) Fumaria Officinalis Flower/Leaf/Stem Extract (and) Citrus Limon (Lemon) Fruit Extract (and) PVP Preservative: None	Dosage: 2.5-5% Form: liquid Hydrosoluble	Hair and scalp care • Anti-ageing
Uniglucan™ G-51 INCI China IECIC Halal certified Vegan suitable		Reinforcer of cutaneous shield Multi-active beta-glucan complex to protect the skin from irritation, to activate the immune system, with smoothing and moisturising properties, for immediate and long-term effects.	INCI: Water (and) Butylene Glycol (and) Yeast Polysaccharides (and) Xanthan Gum Preservative: None	Dosage: 3-10% Form: fluid Hydrosoluble	Moisturising
Uniprotect® PT-3 INCI China IECIC Halal certified Vegan suitable		Molecular sunglasses for skin proteins Bioactive complex to protect skin proteins from UV-induced oxidation.	INCI: Panthenyl Triacetate (and) Ethyl Linoleate (and) Oleyl Alcohol (and) Tocopherol Preservative: None	Dosage: 1-3% Form: liquid Liposoluble	Sun care
Uvaxine™ Cosmos approved Halal certified Vegan suitable		Vaccinate your skin against UV The «vaccine like» active ingredient to activate skin's own defenses against UV irradiations.	INCI: Water (and) Glycerin (and) Polydatin Glucoside Preservative: None	Dosage: 0.2-4% Form: solution Hydrosoluble	Anti-ageing • Sun care
Vitachelox® INCI China IECIC Vegan suitable		The all around natural skin protectant Vitachelox® is a blend of three different natural actives working synergistically to protect skin from pollution and from blue light damage.	INCI: Vitis Vinifera (Grape) Seed Extract (and) Camellia Sinensis Leaf Extract (and) Quercus robur Wood Extract (and) Quercus robur Bark Extract Preservative: None	Dosage: 0.5-1% Form: powder Soluble in water, alcohol	-
Yogurtene® Balance INCI China IECIC Cosmos approved		Skin microbiome rejuvenation for skin hydration This yogurt derived prebiotic magnifies your skin by balancing its microbiome composition towards one's of a younger skin. Hydration benefits in a few hours only!	INCI: Inulin (and) Yogurt Powder Preservative: None	Dosage: 0.5-5% Form: powder Dispersible in water	Oily skin • Sensorial

PRODUCT NAME	TECHNO.	PROPERTIES	INCI® / PRESERVATIVES	FORMULATION	OTHER USES
Centevita® INCI China IECIC Cosmos approved Natrue approved Halal certified Vegan suitable		Antiglycation activity from centella asiatica Centevita® comprises the full bouquet of the biologically active molecules of centella asiatica; it has shown a marked antiglycation and skin protecting activity towards ageing processes.	INCI: Centella Asiatica Leaf Extract Preservative: None	Dosage: 0.1-1% Form: powder Soluble in alcohol, sparingly soluble in glycerol and propylene glycol	-
Charcoal Unispheres B00M-821S INCI China IECIC Cosmos approved Natrue approved Halal certified Vegan suitable		Emotional booster with DETOX action Activated charcoal absorbs toxins and dirt from skin surface or oral cavity. Crafted into black beads it allows the creation of white and coloured application bases with transforming textures. Make your customer feel special!	INCI: Mannitol (and) Microcrystalline Cellulose (and) Charcoal Powder Preservative: None	Dosage: 0.5-2% Form: Small black beads loaded with activated charcoal	-
Inoveol® EGCG INCI China IECIC Cosmos approved Halal certified Vegan suitable		The ultimate DETOX molecule The «molecular sponge» to capture free radicals, detoxify and prevent ageing.	INCI: Water (and) Epigallocatechin Gallatyl Glucoside Preservative: None	Dosage: 0.01-0.05% Form: solution Hydrosoluble	Anti-ageing
Megassane® INCI China IECIC Vegan suitable		Skin tone highlighter by proteasome activation Decrease of oxidised protein level. Restoration of proteasome activities after UV-exposure. Skin benefits for a no make-up highlighter effect.	INCI: Caprylic/Capric Triglyceride (and) Phaeodactylum Tricornutum Extract (and) Tocopherol Preservative: None	Dosage: 0.1-0.3% Form: liquid Hydrosoluble	Sun care
Neurophroline® ★ INCI China IECIC Cosmos approved Natrue approved Vegan suitable		Overall skin stress control Blocking the production of cortisol, the major stress hormone and promoting the release of relaxing neuropeptides (endorphins) and dopamin in skin favoring stress relief. Visible results on skin tone after 1 month.	INCI: Water (and) Propanediol (and) Tephrosia Purpurea Seed Extract Preservative: None	Dosage: 0.1-2% Form: liquid Hydrosoluble	Soothing / Regeneration / Repair

My Blue Guard HP

The morning ritual for a perfect skin

Featuring Hydranellys™, Eliorelys®, Hibiscus Acids and Cristalhyal® MW+.

- Imagined for GenZ.
- Defend young consumers' skin against high digital consumption to prevent ageing signs.

My Blue guard HD

The beauty secret for happier nights and healthier skin

Featuring Synchronight™, Agefinity™, Neurophroline® and BisaboLife®.

- A sensory cream dedicated to young generations offering anti-ageing benefits, tone improvement and skin stress control.

- It also enhances well-being through sleep quality improvement for radiant skin!

Cocooning

For peace of mind & body

The skin is our barrier to the world, protecting us from external threats, irritants and pollution. The strength of the skin and its ability to restore and heal efficiently is essential for our health.

Consumers are beginning to understand that caring for the skin should be a holistic practice focused on maintaining the integrity of its natural processes at a biological level.

Let's imagine future cocooning products that offer consumers person-centred care!

85%

of Brazilians believe that cosmetics acting on microbiome can soothe the skin

82%

of Chinese often experience skin itchiness

58%

of Americans suffer from **redness prone** skin from time to time

59%

of French women declare having **sensitive skin**

PRODUCT NAME	TECHNO.	PROPERTIES	INCI* / PRESERVATIVES	FORMULATION	OTHER USES
BisaboLife® INCI China IECIC Halal certified Kosher certified Vegan suitable		The sustainable biotech (-)-α-bisabolol Natural, sustainable, and reliable soothing ingredient. Inhibition of pro-inflammatory cytokines release and immediate soothing effect, even in rinse-off applications. Highest purity (>99%) and lowest farnesol content (<0.05%) on the market.	INCI: Bisabolol Preservative: None	Dosage: 0.1-1% Form: liquid Liposoluble	Hair and scalp care
Ginkgo biloba Terpene Phytosome® China IECIC Vegan Suitable		From the most ancient plant a soothing fraction of terpenic compounds Ginkgo terpenes are endowed of soothing properties and provide intense skin relief from skin challenges. <i>i</i> Only available in Phytosome® technology.	INCI: Lecithin, Ginkgo biloba Leaf extract (and) Tocopherol (and) Ascorbyl Palmitate Preservative: None	Dosage: 0.5-1.5% Form: powder	-
Masknyl™ INCI China IECIC Cosmos approved Halal certified Vegan suitable		Microbiome-activated express skin perfecter This biotech. enhanced botanical extract, activated by the skin microbiota, counteracts redness, irritation, sensitivity & even hyperpigmentation in just 24 hours! Clinically demonstrated on mask-wearing volunteers.	INCI: Glycerin (and) Water (and) Glucosylrutin (and) Rutin Preservative: None	Dosage: 1% Form: liquid Hydrosoluble	Skin repair • Prolonged soothing • Dark spots eraser
Quercevita® INCI China IECIC Cosmos approved Vegan suitable		The skin's first aid Quercetin, optimised by the Phytosome® technology, for an immediate skin first aid support. <i>i</i> Only available in Phytosome® technology.	INCI: Lecithin, Quercetin Preservative: None	Dosage: 0.5-2% Form: powder	-
Soothex® ISA INCI China IECIC Cosmos approved Vegan suitable		Extreme natural soother Inhibition of 5-lipoxygenase. Immediate soothing effect and reduction of skin redness. Resistance to extreme pH and temperatures.	INCI: Isostearyl Alcohol (and) Boswellia Serrata Gum Preservative: None	Dosage: 0.5-2.5% Form: liquid Liposoluble and hydrosoluble with surfactants	Hair and scalp care
Unisooth™ PN-47 Neo INCI China IECIC Halal certified Vegan suitable		Instant inflammation extinguisher Instant soothing action within 30min. Bioactive complex to modulate skin reactivity and to restore skin barrier, by targeting the innovative JAK/STAT pathway.	INCI: Panthenyl Triacetate (and) Citrus Aurantium Amara (Bitter Orange) Fruit Extract Preservative: None	Dosage: 0.5-2% Form: liquid Liposoluble	Sun care

FIRST AID

S3D® Oceanist

A 100% marine complex for flawless skin!

Featuring B-Lightyl™, Eau de Source Marine, Sea Fennel extract and Unitamuron® H-22 Green.

A pure essence with a novel texture to fight against spots, boost skin radiance and bring hydration.

Water splash

A hydration wave for your skin

Our body is mostly made up of water, so it is no surprise that the integrity of our skin is also linked to hydration. Consumers are constantly seeking ways to improve the look of their skin and combat signs of ageing, stress and dullness.

Consumers are increasingly knowledgeable about the role water plays in skincare and its effect on the strength of our skin barrier. Hydration benefits should also reach beyond surface-level, achieving that coveted dewy-skin look from the inside out.

Let's imagine future hydrating products that offer consumers long-lasting moisture!

Butcher's broom Dry extract INCI China IECIC Vegan suitable		Standardised extract for venous protection Butcher's broom is also known as Ruscus aculeatus; it is traditionally known for its venoprotecting properties.	INCI: Ruscus Aculeatus Root Extract (and) Hydrolyzed Corn Starch (and) Silica Preservative: None	Dosage: up to 2% Form: powder	-
Esculoseide INCI China IECIC Vegan suitable		Protecting capillaries It addresses capillary permeability and fragility, boosts skin microcirculation and inhibits catalytic enzymes like hyaluronidase and collagenase.	INCI: Esculin Preservative: None	Dosage: 0.5-3% Form: powder	Hair care • Facial care
Ruscogenins INCI China IECIC Vegan suitable		Pure botanical venotonic molecules Ruscogenin and neoruscogenin are extracted and purified from <i>Ruscus aculeatus</i> ; they have vasoconstricting and anti-inflammatory properties and enhance venous microcirculation.	INCI: Neoruscogenin (and) Ruscogenin Preservative: None	Dosage: up to 0.3% Form: powder	Facial care
Rutin 95% INCI China IECIC Cosmos approved Natrue approved Vegan suitable		Reducing the appearance of skin redness Antioxidant and anti-inflammatory. Balance the endothelial function and strengthen the blood vessels.	INCI: Rutin Preservative: None	Dosage: 0.5% Form: powder	Hair care
Visnadine Vegan suitable		Strong microcirculation improver from an Egyptian plant Visnadine is a pure molecule from <i>Ammi visnaga</i> L., extremely effective in boosting circulation at arterioles and capillary level.	INCI: Visnadin Preservative: None	Dosage: 0.1-1% Form: powder	-
Ximenoil® INCI China IECIC Vegan suitable		Ximenynic Acid for microcirculation Traditionally used as poultices in «traditional masks», smoothes skin by ameliorating microcirculation.	INCI: Xymenynic Acid (and) BHT Preservative: None	Dosage: 0.5-2.5% Form: powder or flakes	Hair care
Ximilene® INCI China IECIC Vegan suitable		Ethyl ximenynate for microcirculation Traditionally used as poultices in «traditional masks», smoothes skin by ameliorating microcirculation.	INCI: Ethyl Ximenynate (and) BHT Preservative: None	Dosage: 0.5-2.5% Form: oil	Hair care

SWELLING MODULATORS

PRODUCT NAME	TECHNO.	PROPERTIES	INCI* / PRESERVATIVES	FORMULATION	OTHER USES
Escin INCI China IECIC Vegan suitable		The horse chestnut properties in the most powerful draining compound Powerful active molecule counteracting fluid leakage and improving microcirculation and drainage. Counteracts eye puffiness; promotes legs wellness. *① Also available in Phytosome® technology. (Escin beta Sitosterol Phytosome®)	INCI: Escin Preservative: None	Dosage: 0.5-2% Form: powder	Facial care • Hair care
Horse Chestnut dry extract INCI China IECIC Vegan suitable		The efficacy of horse chestnut Extract on microcirculation and drainage The topical benefits of horse chestnut are due to its content of escin, improving microcirculation and decreasing fluids leakage into the tissues.	INCI: Aesculus Hippocastanum (Horse Chestnut) Seed Extract (and) Hydrolyzed Corn Starch (and) Silica Preservative: None	Dosage: up to 2% Form: powder	-
Lymphaselect® INCI China IECIC Cosmos approved Halal certified Vegan suitable		Boosting the activity of lymphatic vessels Promotes lymphatic circulation thanks to the myotropic stimulation of the rythm and tonus of the lymphatic vessels.	INCI: Melilotus Officinalis Extract Preservative: None	Dosage: up to 2% Form: powder	-

FIRMING

PRODUCT NAME	TECHNO.	PROPERTIES	INCI* / PRESERVATIVES	FORMULATION	OTHER USES
Centella CAST INCI China IECIC Halal certified Vegan suitable		The pharma-like triterpenes from centella asiatica Clinically validated as efficaceous on stretchmarks, this fraction of triterpenes traditionally known for skin repair promotes collagen and elastin organisation and functionality and has firming, anti-ageing properties. *① Also available in Phytosome® technology. (Centella CAST Phytosome®)	INCI: Asiaticoside (and) Madecassic Acid (and) Asiatic Acid Preservative: None	Dosage: 0.1-1% Form: powder	Anti-ageing
Sericoside INCI China IECIC Vegan suitable		From a Tanzanian plant to a firm body Obtained from the bark of the roots in Tanzania. On our skin it stimulates collagen, boosts microcirculation and shown has been reported with a lipolytic effect.	INCI: Sericoside INCI China IECIC: Terminalia SericeaBark/Root Extract Preservative: None	Dosage: 0.1-1% Form: powder Soluble in Alcohol	Anti-ageing

Tanning solutions

Perfect tan

Get tanned, anywhere, anytime

Having a tan can evoke a boost of confidence and glowing skin is typically synonymous with health. However, depending on where you live in the world, lying outside in the sun may not be an option year-round, and we are increasingly aware of the negative impact of consistent UV ray exposure.

The best alternative to a traditional tan is a self-tan, achieving that bronzed glow without any risk.

Let's imagine future tanning products that perfectly fit consumer needs!

91%

of German women¹
use tanning products for
taking care of themselves

89%

of American women¹
look for a **more**
natural glow

80%

of Australian women¹
are satisfied by their
tanning product

65%

of British women use
sunless **tanning products**
at least once a year

PRODUCT NAME	TECHNO.	PROPERTIES	INCI* / PRESERVATIVES	SOLUBILITY	FORMULATION
Vegetan® INCI China IECIC Ecocert Halal certified Vegan suitable		The powder version of this reference self-tanner.	INCI: Dihydroxyacetone Preservative: None	Hydrosoluble	Dosage: 2-10% Form: powder
Vegetan® FL INCI China IECIC Ecocert Halal certified Vegan suitable		Our eco-innovative liquid solution.	INCI: Dihydroxyacetone (and) Water Preservative: None	Hydrosoluble	Dosage: 2-15% Form: liquid
Vegetan® Gold INCI China IECIC Vegan suitable		An exclusive technology entraps DHA to obtain a "ready to use in oil" DHA.	INCI: PEG-8 Caprylic/Capric Glycerides (and) Water (and) Dihydroxyacetone (and) Octyldodeceth-25 Preservative: None	Liposoluble	Dosage: 30-60% Form: clear, yellow to brown liquid
Vegetan® Premium Plus INCI China IECIC Vegan suitable		More natural and quicker skin tan. Antioxidant properties.	INCI: Dihydroxyacetone (and) Melanin Preservative: None	Hydrosoluble	Dosage: 2-10% Form: powder
Vegetan® Evolve INCI China IECIC Halal certified Vegan suitable		Erythulose for tan improvement with longer tanning effect.	INCI: Erythulose (and) Water Preservative: None	Hydrosoluble	Dosage: 1-5% Form: pale yellow to orange viscous liquid
Unipertan® VEG-2002 INCI China IECIC Vegan suitable		Bioactive complex to accelerate natural skin tanning by boosting dermal melanin formation.	INCI: Water (and) Butylene Glycol (and) Acetyl Tyrosine (and) Hydrolyzed Vegetable Protein (and) Adenosine Triphosphate (and) Riboflavin Preservative: None	Hydrosoluble	Dosage: 5% Form: solution

PRODUCT NAME	TECHNO.	PROPERTIES	INCI* / PRESERVATIVES	SOLUBILITY	FORMULATION
Unimer U-6 INCI China IECIC Vegan suitable		Wash off resistant film forming polymer to increase filter dispersion and boost SPF.	INCI: Triacontanyl PVP Preservative: None	Soluble in cosmetic lipids such as mineral oil, ester oils or triglycerides. Insoluble in ethanol and water.	Dosage: 1-5% Form: white to yellowish, waxy solid with a weak, characteristic odour
Unimer U-15 INCI China IECIC Halal certified Vegan suitable		Wash off resistant film forming polymer.	INCI: VP/Eicosene Copolymer Preservative: None	Soluble in cosmetic lipids such as mineral oil, ester oils or triglycerides. Insoluble in ethanol and water.	Dosage: 4-10%, for special appli. up to 30% Form: white to yellowish waxy solid
Unimer U-151 INCI China IECIC Halal certified Vegan suitable		Wash off resistant film forming polymer.	INCI: VP/Hexadecene Copolymer Preservative: None	Easily soluble in cosmetic lipids such as mineral oil, ester oils or triglycerides. Insoluble in ethanol and water.	Dosage: 2-5% Form: liquid

PRODUCT NAME	TECHNO.	PROPERTIES	INCI* / PRESERVATIVES	SOLUBILITY	FORMULATION
Bamboosilk A INCI China IECIC Cosmos approved Vegan suitable		Natural mattifiers from bamboo and rice.	INCI Bamboosilk A: Bambusa Arundinacea Juice	Dispersible in oil.	Dosage both: 1-5% Form: white to light beige powder
Ricesilk INCI China IECIC Cosmos approved Vegan suitable			INCI Ricesilk: Oryza Sativa (Rice) Hull Powder Preservative both: None		
Biogomm'age™ UE series INCI China IECIC Halal certified Vegan suitable		First biodegradable cellulose based skin exfoliating particles, with Vitamin E.	INCI: Microcrystalline Cellulose (and) CI 77007 (EU) / Ultramarines (US) (and) Tocopheryl Acetate (and) Hydroxypropylcellulose (and) Silica (and) Kaolin Preservative: None	Insoluble in water and resistant to pH > 6.	Form: blue granulates
Biogomm'age™ W series INCI China IECIC Cosmos approved Halal certified Vegan suitable		Natural exfoliants, soft on the skin. Different sizes are available for various qualities of abrasion and sensoriality.	INCI: Cellulose Preservative: None	Insoluble in water, oil, and organic solvents.	Form: white granulates
Biogomm'age™ WD series INCI China IECIC Halal certified Vegan suitable		First biodegradable cellulose based skin exfoliating particles, with pro-panthenol.	INCI: Microcrystalline Cellulose (and) Panthenyl Triacetate (and) Hydroxypropylcellulose Preservative: None	Insoluble in water, oil, and organic solvents.	Form: white granulates
Exfoliance Bamboo INCI China IECIC Vegan suitable		Abrasive with white and delicate grains from bamboo. Sourced in the mountainous forests of India.	INCI: Bambusa Arundinacea Stem Powder Preservative: None	Insoluble in water, oil, and organic solvents.	Form: white powder

PRODUCT NAME	TECHNO.	PROPERTIES	INCI* / PRESERVATIVES	SOLUBILITY	FORMULATION
Softolive™ INCI China IECIC Vegan suitable		Universal emollient for skin softness and unique sensory profile.	INCI: Hydrogenated Ethylhexyl Oliviate (and) Hydrogenated Olive Oil Unsaponifiables Preservative: None	Liposoluble	Dosage: 2-5% Form: liquid
Unipheryl™ U-14 NP INCI China IECIC Vegan suitable		Excellent stabiliser for unsaturated oils, fats, and other lipids.	INCI: Isopropyl Myristate (and) Lecithin (and) Tocopherol Preservative: None	Miscible with vegetable oils and fats, petrolatum, synthetic triglycerides, ester oils, waxes, and other types of cosmetic oils. Insoluble in water.	Dosage: approx. 5% Form: viscous liquid
Xyliance™ INCI China IECIC Cosmos approved Vegan suitable		Natural and renewable O/W emulsifier. Suitable to emulsify vegetal oils, esters, synthetic and mineral oils.	INCI: Cetearyl Wheat Straw Glycosides (and) Cetearyl Alcohol Preservative: None	Liposoluble	Dosage: 1-5% Form: flakes

COOLING AGENTS

PRODUCT NAME	TECHNO.	PROPERTIES	INCI* / PRESERVATIVES	SOLUBILITY	FORMULATION
Questice® Fresh S INCI China IECIC		A long lasting freshness and a cooling effect on the skin without the use of menthol or alcohol.	INCI: Menthyl Lactate Preservative: None	Water / Alcohol soluble	Dosage: < 1% Form: faint amber solution
Questice® Liquid INCI China IECIC Ecocert Vegan suitable		Time-release menthol. Gradually releasing cooling sensation, for a long lasting cooling effect.	INCI: Menthyl PCA Preservative: None	Water / alcohol soluble	Dosage: 1-2% Form: faint amber solution
Questice® Plus INCI China IECIC Vegan suitable		The long-lasting effect of Questice® Liquid combined with the instant freshness of menthol.	INCI: Menthyl PCA (and) Menthol (and) Dipropylene Glycol Preservative: None	Water / alcohol soluble	Dosage: 0.5-2% Form: faint amber solution
Evercool® Skin Vegan suitable		An odourless ingredient, bringing long-lasting freshness.	INCI: Menthyl PCA (and) Lactamide MEA (and) Menthane Carboxamide Ethylpyridine Preservative: None	Alcohol / esters soluble	Dosage: 1-5% Form: clear, light yellow liquid

GREEN SURFACTANTS

PRODUCT NAME	TECHNO.	PROPERTIES	INCI* / PRESERVATIVES	SOLUBILITY	FORMULATION
Appygreen™ 812 Cosmos approved Vegan suitable		Sustainable surfactant to boost cleaning capacities, viscosity and foam of formulations.	INCI: Water (and) C8-12 Alkyl Glucosides / Xylosides Preservative: None	Hydrosoluble	Dosage: 0.5-4% Form: liquid
Sophogreen™ Plus INCI China IECIC Cosmos approved Halal certified Vegan suitable		Green solubiliser from sophorolipids, perfect for fragrances and active ingredients.	INCI: Water (and) Hydrolyzed Candida Bombicola Extract/ Glucose/Rapeseed Acid Ferment Extract INCI China IECIC: Water (and) Hydrolyzed Candida Bombicola Extract Preservative: Benzyl Alcohol	Hydrosoluble	Dosage: > 1% Form: liquid

FILM-FORMERS

PRODUCT NAME	TECHNO.	PROPERTIES	INCI* / PRESERVATIVES	SOLUBILITY	FORMULATION
Sens'Hyal® INCI China IECIC Halal certified Vegan suitable		Improvement of formulation powdery effect to provide a unique touch. Also available in powder form, without preservatives.	INCI: Water (and) Rhizobian Gum (and) Sodium Hyaluronate Preservative: Phenoxyethanol (and) Chlorphenesin	Hydrosoluble	Dosage: 1-5% Form: uncoloured slightly opalescent gel
Silkgel NEO INCI China IECIC Vegan suitable		Physical and breathable protection and fixation effect.	INCI: Water (and) Silk (and) 1,2-Hexanediol (and) Caprylyl Glycol Preservative: None	Miscible with water	Dosage: > 2% Form: transparent to light beige gel
Unimer U-1946 INCI China IECIC Halal certified Vegan suitable		Wash off resistant film forming polymer for make up formulations and protection against pollution.	INCI: VP/Hexadecene Copolymer (and) Octyldodecanol Preservative: None	Easily soluble in cosmetic lipids such as mineral oil, ester oils or triglycerides. Insoluble in ethanol and water.	Dosage: 2-5% Form: colourless to yellowish clear viscous liquid

ODOUR CONTROL

PRODUCT NAME	TECHNO.	PROPERTIES	INCI* / PRESERVATIVES	SOLUBILITY	FORMULATION
Silkalun™ INCI China IECIC	-	Micronised powder of potassium alum with antibacterial and astringent properties.	INCI: Potassium Alum (and) Magnesium Stearate Preservative: None	Liposoluble	Dosage: 3-5% Form: white powder
Sinodor® INCI China IECIC Halal certified Vegan suitable Kosher certified		Malodour trapper by reaction with thiols and amines.	INCI: Citronellyl Methylcrotonate Preservative: None	Liposoluble	Dosage: 0.2-1% Form: liquid

PRODUCT NAME	TECHNO.	PROPERTIES	INCI* / PRESERVATIVES	SOLUBILITY	FORMULATION
Eau Vitale™ Algue Bleue INCI China IECIC Cosmos approved* <small>*powder version</small> Vegan suitable		Unique water enriched in amino-acids, nucleic acids, proteins, sugars, vitamins and other trace elements by the spirulina algae.	INCI powder version: Maltodextrin (and) Spirulina Platensis Extract Preservative: None INCI liquid version: Water (and) Spirulina Platensis Extract Preservative: Phenoxyethanol	Hydrosoluble	Dosage: 1-100% Form powder version: white Form liquid version: colourless to pale yellow clear

FUNCT. WATER

PRODUCT NAME	TECHNO.	PROPERTIES	INCI* / PRESERVATIVES	SOLUBILITY	FORMULATION
Syner-GX™ INCI China IECIC Cosmos approved Vegan suitable	 	Sensorial and natural thickener to stabilise formulas against pH and temperature variations and, with low sensitivity to NaCl.	INCI: Cyamopsis Tetragonoloba (Guar) Gum (and) Xanthan Gum Preservative: None	Hydrosoluble	Dosage: 1-5% Form: uncoloured slightly opalescent gel

THICKENER

PRODUCT NAME	TECHNO.	PROPERTIES	INCI* / PRESERVATIVES	SOLUBILITY	FORMULATION
[N.A.S.]™ Rosemary 01 INCI China IECIC Cosmos approved Natrue approved Halal certified Vegan suitable Kosher certified		The natural BHT and tocopherols challenger. A complete protection against temperature and light induced oxidation of water and oil soluble substances, in oily bases and emulsions, with preservative booster effect.	INCI: Rosmarinus Officinalis (Rosemary) Leaf Extract (and) Simmondsia Chinensis (Jojoba) Seed Oil Preservative: None	Liposoluble	Dosage: 0.6% Form: light amber to amber liquid

S3D® Powderful

11-ingredient cocktail for a clean skin

Designed with Biogomm'age™ W180, PrimalHyal™ 300 and Neosalyl™, this water-less cleanser will:

- Gently and effectively clean the skin.
- Revitalise and even out all skin types complexion.
- Bring softness and freshness while reducing imperfections.

Botanical extracts

Unseen green power

Unlock nature's healing power

Nature is a source of inspiration for many of us, with its mighty displays of power and simultaneous role as a sanctuary. As we expand our understanding of Mother Nature, we also unlock her hidden secrets: natural remedies for the entire body.

The main priority for many consumers is their health, encompassing both physical and mental wellbeing, and the key to achieving this lies in nature's unseen powers.

Let's imagine future green products
that offer consumers the healing power of Mother Nature!

The background is a close-up, macro shot of a golden-yellow liquid, likely oil, with numerous small, spherical droplets and larger, irregular shapes. The lighting creates a warm, glowing effect, with highlights and shadows that emphasize the texture and viscosity of the liquid. The overall composition is abstract and artistic, focusing on the natural patterns formed by the liquid.

Precious oils

The wonders of oils

Liquid beauty secrets

We all have a love for traditions and the connection it gives us to the past.

For centuries, beauty rituals have celebrated the wonders of botanical oils: their deep nourishment, enhanced benefits, and pleasing sensoriality.

Let's imagine future oils
that offer consumers a timeless experience!

Eye Shot Express

Your beauty dose

Featuring Koffee'Up™ Grade, Easyliance® 2.0
and Guarana extract.

A fresh eye gel to instantly lift any tired-looking
skin and tackle the first signs of ageing.

Natural colours

Colourful planet & me

Nature's rainbow

Consumers are increasingly more aware of what ingredients are in their cosmetic products and are seeking out new alternatives to current synthetics.

Actives with familiar names and easy-to-follow origin stories will reassure consumers that their purchases are safe without the sacrifice of quality.

Let's imagine future natural coloured products that are more than just "green"!

94%

of Brazilians declare that **colour** is an **important item** when they buy makeup

89%

of French women agree that the **New Purple 2364** colour is trendy

70%

of American women have tried **natural** lipsticks

64%

of Chinese women desire **more clean** lipstick options

Cosmic Purple

The luxurious red lips beautifier

Featuring New Purple 2364, this visibly vibrant & sustainable creamy eyeshadow will:

- Offer high-impact colour.
- Soothe the delicate eyelid skin.
- Provide immediate smoothing effect.
- Fit on all skin complexions.

Also supported with Cristalhyal® e-Perfection and Omegablue®.

Visual cues

Adding pep to your beauty steps! Open your eyes wide

We all just want to have fun, and the more engaging a product is to use, the more we will enjoy our experience with it.

There is also an increasing consumer demand for products to become more sensorial to enhance the overall experience.

Let's imagine future visual products that offer consumers extra pleasure!

84%

of American women like
to have a product containing
visual cues

78%

of Brazilian women like
our blue beads

Happy

adding colourful beads
can make people
feel happier

Unishapes

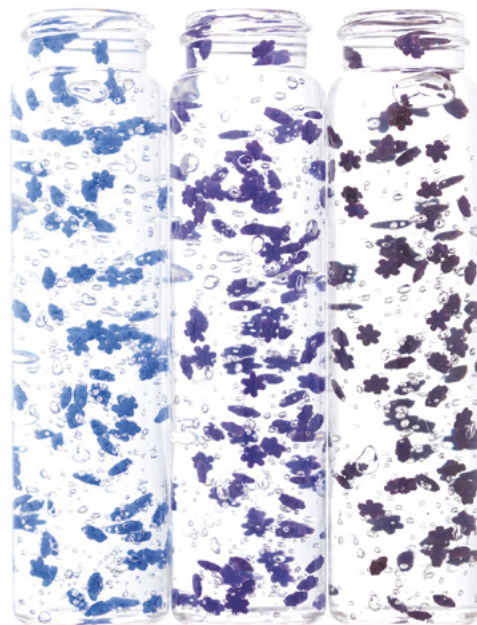

One step ahead in Visual Effects

The Unishape technology is based on a high-definition manufacturing process that creates 3D shapes which are:

- Highly reproducible (3.5 mm in size);
- Easy to incorporate into your formula;
- Free of any residues after application;
- Made with eye-catching colours...

... for an irresistible effect that will captivate and mesmerise!

These tiny shapes magically disappear as you rub them in: delivered dry, they have the amazing properties to soften in the formula making them more malleable and ready to disintegrate when pressure is applied.

REFERENCE	ACTIVE / ADDITIVE	APPLICATIONS	SIZE (mm)	COLOUR / ASPECT	
Unihearts R0-652C	Mannitol	Red hearts... ...to add some passion in your products!	3.5	Pearlescent red coating	
Unihearts P0-651C	Mannitol	Pink hearts... ... for a tender visual effect.	3.5	Pearlescent pink coating	
Unistars D0-638C	Mannitol	Gold stars... ... to make your products shimmer!	3.5	Pearlescent golden coating	
Uniflowers L0-668C	Mannitol	Lila flowers... ... for a blossoming look! pH > 6	3.5	Pearlescent purple coating	
Unibutterflies O0-798C	Mannitol	Orange butterflies... ...for an inspiring and poetic effect.	3.5	Pearlescent orange coating	

Unispheres® & Emospark™ Unishapes

APPLICATIONS

Unispheres®, Emospark™ and Unishapes can be used in many types of cosmetic products:

- **Body care:** shower gels, refreshing body gels, liquid soaps, bronzing creams;
- **Face care:** cleansers, creams, lotions;
- **Hair care:** shampoos, hair styling gels;
- **Oral care** (only for selected products): toothpastes, tooth gels, mouthwashes.

As a world leader in high quality visual carriers, we offer an impressive range of customisation possibilities such as:

- Changing the colour (including loading pigments that have been carefully selected to meet global regulatory standards in many countries);
- Modifying size of the beads from 4 available ranges (very small 350-700 µm; small 500-900 µm; large 1000-1500 µm; extra large 2000-3000 µm);
- Entrapping functional ingredient (actives, oils...);
- Adjusting the rub-off properties of beads for your final base

We offer you a world of exclusive opportunities, so do not hesitate to contact your sales representative for any specific customisation request.

Note: no customisation available on the XS Unispheres® range.
